To Our Loyal Supporters,

Hope to find you and your loved ones safe and well!

These are definitely trying times and we really appreciate everyone's continued support!

After a lot of thought and discussion we feel that in the best interest of you, our supporters, at this time with the daily changing state of Covid we have with a heavy heart decided to once again postpone our October gala.

We are hoping to come back bigger and better in 2022 with newer and even more exciting events!

We are proud though that

even in these difficult times because of all of you with your continued generosity we are able to continue to help these precious babies on a daily basis!!!

With that being said,

Stay healthy and stay safe!

We look forward to seeing you all very soon

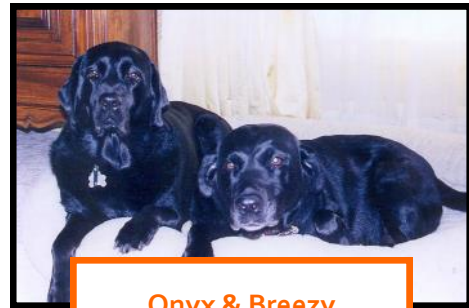

and again thank you all for your donations!

"REMEMBER THE JOY THEY BRING"

With Love,

Wanda and Mark

Stories...

Why we do what we do...

This is from one of the many people we helped recently to save the life of this sweet baby "River"...

Dear Onyx & Breezy,

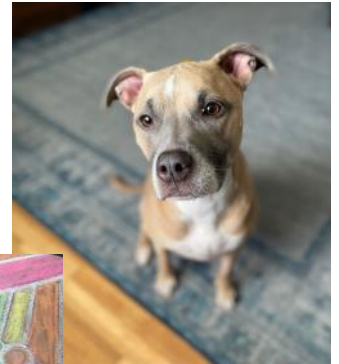

It has been a week since Rivers surgery and we wanted to provide an update!

River has been doing amazing, she is getting stronger every day. Her surgery went very well, much better than anyone expected for how large her tumor was.

She could have died from a rupture at any moment, and because of the help from The Onyx & Breezy Foundation, she was able to get her surgery and has been given years back. We are so grateful for your help during this difficult time.

Thank you again!

~Stacy
