## Trustees Corner

To Our Loyal Supporters,

Hope to find you and your loved ones healthy, safe and enjoying the summer!

Life as we all know is never predictable, but we all try our best.

That is something we also experience in our foundation. Even though our grants thankfully help the majority of precious babies that come to us – sometimes – not often – they cannot even help. We have to say it breaks our hearts and we don't forget, but with all the success stories we have, it

makes us go forward stronger and more determined!!!

This is all possible because of our loyal supporters – YOU – and we are forever grateful!

Please enjoy these beautiful summer days and know that 100%

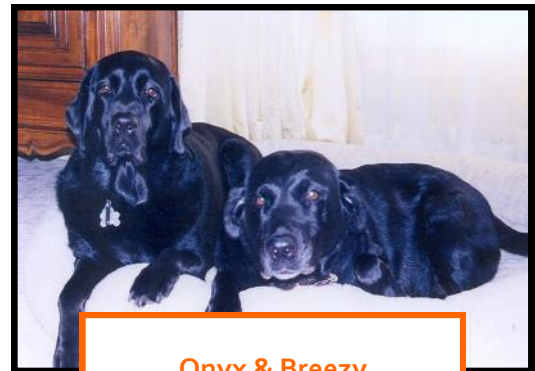

of your donations are working hard every day in helping make other success stories possible.

## Why we do what we do...

### From some of the many people we have recently helped...

Thank you so much, you don't understand how much that means to me. The surgery is for sure taking place this Friday. Me and Dilyn want to say thank you again!! It's amazing what you guys are doing.

He's recovering fine and more importantly no longer in pain. Thanks for being a blessing!!!  
Take care

I just wanted to let you know how Riley is doing, and email you some photos. Riley had her surgery on May 6th, and I was able to pick her up from the hospital on May 8th.

She is doing well, and back at home. She is a lot happier now that the tumor is gone.

Anyways, I want to thank you for all the help you provided. I cannot begin to express my gratitude.

Natasha

On behalf of Prairie Fire Farms Foundation, Inc., we are profoundly grateful for our ongoing relationship with Onyx & Breezy and its support for animals in need. Your support has allowed us to continue rescuing, rehabilitating and re-homing horses in need. We hope to continue our mission with your assistance again this year. Your grant [has](#) allowed us to purchase feed, hay and grass pellets for our rescued horses. Thank you for your help and thank you to the Board at Onyx & Breezy

Megan

About a month ago, your organization gave a generous donation to PetER in Anchorage, AK. I want to thank you so much for what you did! Her surgery was successful and she is back to her old (young) self. Without your help, I don't know what we would have done.

Paw Warriors Rescue would like to Thank Onyx & Breezy for their 2022 Grant in helping these cats to be able to be spay/neutered and vaccinated. Most are adopted and moving into their loving forever homes. Without O&B, this would not be possible - YOU are awesome ONYX & BREEZY - we are so grateful to you for making such a wonderful life for these babies!!

### Risk of the virus that causes COVID-19 spreading between pets and people

The virus that causes COVID-19 can spread from people to animals during close contact. Pets worldwide, including cats and dogs, have been infected with the virus that causes COVID-19, mostly after close contact with people with COVID-19 however the risk of pets spreading COVID-19 to people is low.

- Do not put masks on pets; masks could harm your pet.
