Trustees Corner

Dear Friends,

We hope to find you all well and safe. These are definitely trying times and we want to take this time as 2020 comes to a close to thank all our loyal supporters and let each and every one of you know how appreciative we are for your continued support.

We know it has been difficult for many and that's why, without all of you, we would not have been able to continue saving these babies.

It has been even harder because veterinary and animal hospitals have been closed or have

limited hours. We want you to know that these situations did not stop us from our mission.

They need our help and even though we might not be able to save them all, we do everything we possibly can do to save as many as we can.

We want to wish you and all your loved ones good health and love.

STAY SAFE!

We pray that 2021 will be a better year for all of us.

Once again... THANK YOU!!!

"REMEMBER THE JOY THEY BRING"

With Love,

Wanda and Mark

Why we do what we do...

This is from one of the organizations that we helped recently to save the life of this sweet baby Hans...

Dear Onyx & Breezy,
Thank you all so much for your help and support with Hans . We are so happy that Hans has finally gotten his surgery. This sweet boy really deserved it. For a dog so young it is great to know that he will have a future where he will be able to run and jump and be pain-free.

Thank you so much, we really appreciate it!!

~Jennifer
